

ECOTotal
INDUSTRIAL DIVISION

ECOTotal Industrial Division.

ECOTotal Industrial have a huge range of Cleaners, Degreasers, Acids, Solvents including Wax and Grease Removers, Gun Wash, All Purpose Thinners and High Flash Degreasers (brake clean).

◀ ECOTotal HD Red Cleaner and Degreaser.

Heavy Duty for use in kitchens, food processing and manufacturing. A dilutable cleaner that breaks down oils, grease and dirt build up.

◀ ECOTotal HD Blue Cleaner and Degreaser.

For workshops, home and industry. A dilutable high performance alkaline non-caustic cleaner that breaks down oils, grease and dirt build up.

◀ ECOTotal Acids.

An extensive range of acids including Citric, Phosphoric, Hydrochloric, Sulphuric and Oxalic. Available in any size or quantity.

◀ ECOTotal ECO X Heavy Duty Cleaner.

Hard surface cleaner. Tough on Grease. Use ECO X for the removal of heavy duty stains from painted and non-painted surfaces.

◀ ECOTotal Bore Stain Remover.

Removes Iron, Calcium and Magnesium stains from pavers, driveways, concrete and stone. Suitable for most colour bond fencing.

Solvent Sealers

◀ Highlight Matt Concrete Sealer.

Highlight Matt is a high solids, clear concrete coating formulated to enhance and protect decorative and non-decorative concrete surfaces.

◀ Extreme Duty High Gloss Sealer.

Petrol resistant acrylic solution which produces a hard, flexible, petrol resistant coating. Ideal for concrete driveways in petrol stations.

◀ High Gloss Concrete Sealer.

For the sealing of Exposed Aggregate, Limestone, Pattern Concrete and most types of paving is a "wet look" sealer suitable for pools.

Water Based Sealers

◀ Water Based Concrete Sealer.

A hard wearing water/stain repellent clear coating, that will protect low to medium porosity masonry surfaces. Highly resistant to UV.

◀ Natural Finish Sealer.

This product is used extensively for the sealing of concrete, reconstituted limestone, brick walls, retaining walls and alike.
